

**WER (World Educational Robot) World
Championships 2016**

**Group Presentation Selection Rules
(WER Video Selection)**

Theme: Friends

**Federation of World Educational Robot
Sept. 10, 2016**

I . Preface

As a part of life, friendship is presented in a pure, noble and ordinary manner, which is considered as the most romantic, touching and eternal relationship.

The “Group Presentation —WER Video Selection” of 2016 WER World Championships will be themed on “Friends”, namely any video related to friends will be seen as requirement conformed.

Go to shot a WER story among you and your friends!

II . Theme

Friends

III. Video Requirement

The video should be no shorted than 60s and longer than 90s.

Format: 16:9 landscape, MPEG-4, AVI, MOV, no larger than 100MB;

The video file should be named after Division+School Name+Team Name (same as that in the application form: Primary Division+ Shanghai Foreign Language School+ TEAM1)

***The works that don't meet the requirements above may be filtered by the system and result in no score recorded.**

IV. Selection Rules

1. Contestants need to provide the original and unpublished work; any copy or use others work and imageis forbidden.
2. The works submitted should conform to the theme. There should be no content related to reactionary or something nasty. It will be seen as invalid if there is any content violates the national rules and regulations.
3. The host has the right to use the selected videos for business, brand and contest promotion for free. ContestCommittee will take that all the contestants agree to conform this rule.

V. Selection Standard

1. Divisions Setting: Primary Division, Junior High Division, Senior High Division. If there is less than 8 teams in the junior high or senior high division, the junior high and senior high divisions will be merged as middle and high division.
2. Award Setting: each division will select 10 teams to award grand prize according to the scores.

VI. Video Submission

1. Domestic teams upload videos to Youku; international teams can upload videos to Youtube, and send the links to the e-mail: wer_video@wercontest.org;
2. The deadline of video selection is: 20 Oct, 2016. The videos which are submitted after that date won't be scored.
